

## IRMA Partner Access

IRMA Partner Access accounts are used to establish credentials that enable non-NPS employees to connect to NPS web applications. Many of the applications that use Partner Access accounts will also require additional application specific roles prior to the partner creating or modifying data in those applications.

## Sign Up for IRMA Partner Access

To sign up for an IRMA Partner Access account, navigate to the application to be accessed and use the Log On link at the top of the page (shown below) or click the link within the specific application if present.

### Welcome to the Survey Request Tracking Solution (SRTS)

If you would like to create a Survey Request, you first must sign up for an NPS Partner account. Use the link below to sign up for an NPS Partner account or log into the SRTS application if you already have an NPS Partner account. At the bottom of this page, you will find a list of the active surveys for the current calendar year.

Password Criteria

Once the IRMA Partner Access account has been successfully created, it must be activated via the activation email sent to the email address listed in the account.

## Account Created

Your account has been created. A confirmation email is being sent to the address **ve@outok.com** with instructions on how to activate your new account.

Access the email account used in the account and locate the email with the subject “Activate NPS IRMA Partner Access Account”. Click the link in the email or copy it and paste it into the address bar of your web browser.

A confirmation screen will appear when the activation is complete. Use the links on this page to navigate to the application(s) you want to access.
